

Kioto DK 10 -serie (TIER 4)

6010 HST

- Short mounting due to highly compact construction
- Unlimited steering angle due means of push bar
- PTO uses oil cooler for optimal performance
- PTO clutch engagement time variable to ensure smooth engagement

Afbeeldingen

Front linkage system design

- Front linkage 10 kN supported by means of push bar
- Top plate ready for fitting of front hydraulics
- Can also be supplied with heavy-duty lifting arm set
- Can be set to a single-acting, double-acting and transport position with the multi-valve supplied as standard
- Removable linkage arms with a transport, fixed and oscillation setting
- Perfect design due to tractor-specific connections

Front PTO system design

- Comes with an oil cooler as standard
- PTO clutch engagement time variable to ensure smooth engagement
- Non-rotating output shaft in unloaded condition
- Oil immersed clutch plates ensures a long service life
- Supplied with protective cover for PTO stump

Additional Info

- Supplied professional installation manual in 4 languages simplifies installation
- Integrated oil system guarantees rapid PTO installation as it is independent of the tractor's hydraulic system
- PTO includes measuring points for easy locating of faults
